OFFICE OF PETITIONS

Attached are two forms PTO-1449. One (listing references AA to AAAAA, ADDDD to ANNNN, and APPPP on four pages) is identical to the Form PTO-1449 that was originally filed on July 22, 2003, in this application, except that three of the citations have been crossed out by Applicants as containing typographical errors. Applicants never received an initialled copy of the originally filed Form PTO-1449, so are resubmitting it at this time. The second Form PTO-1449 (listing references BA to BF on one page) includes correct citations for the three that were crossed out (BB, BE, BF), plus citations of three additional references not previously cited (BA, BB, BD). Copies of all 94 references, including an IPEA Report for a corresponding PCT application, are enclosed.

This filing is being made with a Request for Continued Examination, so no fee is required.

Respectfully submitted,

Date: Sept. 14, 2004
